TENDER NO. CBK/080/2021-2022**

The above captioned tender was published on the websites on 31st March, 2022. In response to the clarifications sought by prospective bidder, the Bank is hereby issuing Addendum No. 2 in line with Section 75 of the Public Procurement and Asset Disposal Act 2015 and will form part of the tender document.

No	Clarifications Sought	Responses
1	Can you please confirm what you mean by the “ <i>Total No of staff-months of the assignment</i> ” which is mentioned in the Form 2 B?	The section refers to experience of the company in a similar undertaking and hence “ <i>No of staff-months of the assignment</i> ” would mean the number of staff and duration in months the consultants were assigned on the mentioned assignment.
2	We have noticed that a 80% presence is required onsite, mindful about the cost which an onsite presence shall imply. Are we allow to propose a blended approach where onsite presence shall be applicable for key stages of the project only and the rest shall be done offsite. By doing so, this shall greatly lower the cost of implementation	Yes you are allowed to put any proposal but as stipulated in the pre-bid meeting. The preferred model would be 80-20 model i.e. 80% onsite while 20% offshore

The RFP closing/opening date remains **6th May 2022 at 10.30 a.m.**
