ADDENDUM NO. 3

**TENDER FOR PROVISION OF COMPREHENSIVE SUPPORT, MAINTENANCE AND
LICENCES RENEWAL FOR QRADAR SECURITY INFORMATION AND EVENT
MANAGEMENT SOLUTION (SIEM) FOR A PERIOD OF THREE (3) YEARS FOR
CENTRAL BANK OF KENYA.
TENDER NO. CBK/114/2020-2021**

Arising from the clarifications sought by prospective bidders, Addendum Number 3 is hereby issued. The addendum is made to provide clarifications sought by prospective bidders and it now forms as part of the Tender Document. It is issued in line with Section 75 of the Public Procurement and Asset Disposal Act 2015.

Clarification	Response
If CBK still want to renew them (E0I5CLL, E0I5DLL and E0I5FLL), renewals will be limited to one year and Offering Manager approval is required contingent on the client's confirmation of the following in writing: "I acknowledge that I understand that Vulnerability Scanning capabilities in QRadar Vulnerability Manager have been withdrawn and that support will end on the 30th of April 2023, and I have been made aware of the transition options facilitated by IBM".	This is agreeable as per the statement and that's the reason we have requested for 1 year for those components.
We require some more time for the entire pricing to be released.	The tender is hereby extended from 23rd June 2021 to Friday 25th June 2021 at 10.30am

All other terms and conditions of the Tender Document remain the same.
