ADDENDUM NO. 2

**TENDER FOR PROVISION OF SECURITY SERVICES (GUARDING) TO
CENTRAL BANK OF KENYA (HEAD OFFICE, KSMS AND BRANCHES) FOR A
PERIOD OF TWO YEARS (1st JULY 2018-30th JUNE 2020)**

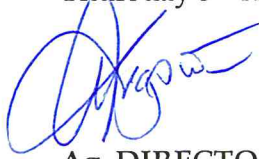

- TENDER NO. CBK/53/2017-2018

In reference to the above tender that appeared on the Integrated Financial Management Information System (IFMIS) and the Central Bank of Kenya website on 12th March, 2018, The Central Bank of Kenya notifies prospective tenderers that following clarification sought by one of the prospective tenderers **Addendum No. 2** is issued with respect to the tender. The Central Bank of Kenya clarifies the issues raised by the tenderer as follows:

No.	Issues Raised	Clarification offered by the Bank
1	A tenderer inquired on the number of guards to be quoted for in Eldoret Branch and Mombasa Branch as they are not indicated in the tender document.	• For Eldoret and Mombasa as per Asterix on Page 30 * <i>For Eldoret, Mombasa and KSMS, the numbers may vary at any particular period</i> we require a rate for a guard as the numbers may vary hence why numbers are not indicated for Eldoret and Mombasa.
2	A tenderer inquired if members of Protective Security Industry Association (PSIA) are eligible.	Members of PSIA are eligible and hence MR 5 under the Clause 2.22 – 2.24: EVALUATION CRITERIA has been adjusted as follows: “Provide valid certificate confirming membership of Kenya Security Industry

		Association (KSIA) body and Protective Security Industry Association (PSIA)"
--	--	--

The clarifications form part of the tender document. The closing date of the tender is Thursday 5th August 2018 at 10:30 a.m.
