ADDENDUM NO. 1

**PROCUREMENT OF DOCUSIGN ELECTRONIC SIGNATURE IMPLEMENTATION
AND LICENSES SUPPORT FOR CENTRAL BANK OF KENYA. CBK/096/2024-2025.**

The above captioned tender was published on www.centralbank.go.ke and the Public Procurement Information Portal www.tenders.go.ke on 28th February 2025. In response to clarification sought, the Bank is hereby issuing Addendum No. 1 in line with Section 75 of the Public Procurement and Asset Disposal Act 2015 and will form part of the tender document.

Clarification sought	Response by the Bank
Does the Central Bank of Kenya currently have an existing DocuSign electronic signature platform in place? If so, is this tender intended to extend or upgrade the existing platform?	CBK has no existing DocuSign implementation. This is a new environment.
If the Central Bank of Kenya does not have an existing DocuSign platform and this is a new requirement, we would like to respectfully request the opportunity to propose an equivalent solution that meets the Bank's needs. The tender specifications currently appear to focus on a single vendor solution, and we kindly ask if alternative options could also be considered.	DocuSign is specifically requested for the purpose of integrating the solution to Oracle Fusion ERP cloud. Oracle Fusion ERP Cloud supports DocuSign for electronic signatures, requiring users to obtain licenses and set up accounts directly with this provider.
Extension of tender opening date?	Tender opening date has been extended to 20th March, 2025

All the other terms and conditions of the Tender Document remain the same.

**For: Deputy Director/Head of Procurement
10th March 2025**
